SPEEDLIGHT ACCESSORY

Features & Benefits

Frustrated with Velcro when attaching accessories to your Speedlight? Then look no further. The hähnel 360 & 600 Clamp has a powerful magnetic system allowing you to attach your accessories in seconds. These high grade magnets are not only exceptionally strong but also highly reliable as they firmly attach our Module accessories onto your Speedlight.

This impressive product forms part of the hähnel Module Speedlight accessory range which has been specifically designed to help you achieve that perfect shot.

- Magnetic clamp attaches accessories in seconds.
- Clamps are compatible with the majority of other Speedlights on the market.
- Box has been made 100% biodegradable so has less impact on our environment.
