Control Monitor Camera Control Cable (sold separately), then you can the camera with the monitor. Please refer to the section"Access Instruction—Monitor Camera Control Cable".			
Image	Provide left-right mirror flip, up-down mirror flip, auto (sensor) and up-		
Flip	down flip modes to choose the suitable monitoring angel.		
Restore	Clear all the current user settings and restore to factory settings.		
Factory			

Upgrade

(1)Prepare a SD card whose file system is FAT32 or NTFS and an SD card reader. If the PC has a SD card slot, the reader is not needed.

(2) Extract the upgrade files copied to the root directory of SD card on the PC side. There will be a xxxx.bin file (Do not change file name, otherwise, the upgrade will fail.)

(3)Insert the SD card into the slot of monitor with the face of connecting finger towards the screen. Turn on the power.

(4)Click "upgrade" to start upgrading. Pay attention to the warnings on the screen and keep the power being supplied and do not pull out the card during the upgradation!

(5)The monitor will automatically boot up after upgradation finished.

Power

Click to shut down the device.

Accessories Instruction

Hood

- Align the hood frame with the monitor and press it down until the four positioning buckles are firmly mounted on the monitor corners.
- 2. Align the hood with the hood frame and stick the velcro properly to finish the installation.
- 3. Please take down the hood first and then the hood frame when detaching from the monitor.

Cold Shoe Mount

Align the 1/4 screw of the cold shoe mount with the 1/4 extended ports on the top/bottom/right side of the monitor, turn it clockwise to install while counterclockwise to remove (if you can't tighten it manually, use the attached mini wrench to help). The cold shoe base can be mounted to the camera or rig.

Monitor Camera Control Cable(Sold Separately)

Connect the monitor and compatible camera with the camera control cable to achieve camera control through the monitor. The following functions are available: shooting, recording, auto focus, focusing, ISO, aperture and shutter.

⚠Note: To achieve camera control, it is recommended to purchase corresponding camera control cable and gain support of camera. As the control functions are not supported by all cameras, please refer to the relevant instruction manual of the camera control cable to check its support functions and camera models.

Camera Control Function Introduction

Icon

Function

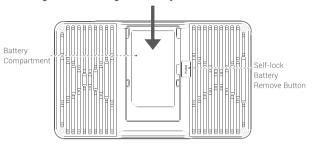

manually.

When the camera control is on, slide leftwards from the screen edge on the right to bring out the camera control menu, single-click the video area to hide the camera control menu.

Maintenance

Avoid sudden drops. The device may fail to work after strong shocks, impacts, or excess stress

Keep dry. The product isn't water-proof. Malfunction, rust, and corrosion may occur and go beyond repair if soaked in water or exposed to high humidity.

The sudden temperature changes may cause product condensation.

Keep away from strong magnetic field. The strong static or magnetic field produced by devices leads to malfunction.

Unauthorized service or artificial damage will void the warranty. In those situations, maintenance fees will be charged.

If the product had failures or was wetted, do not use it until it is repaired by professionals. Changes made to the specifications or designs may not be reflected in this manual.

FCC Statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- -Reorient or relocate the receiving antenna.
- -Increase the separation between the equipment and receiver.
- -Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- -Consult the dealer or an experienced radio/TV technician for help

Declaration of Conformity

GODOX Photo Equipment Co,Ltd. hereby declares that the This equipment are in compliance with the essential requirements and other relevant provisions of EU Directive 2014/30/EU. They are allowed to be used in all EU member states. For more information of DoC, Please click this web link:http://www.godox.com/DOC/Godox_GM6S_DOC.pdf

产品保修

尊敬的用户, 本保修卡是申请保修服务的重要凭证, 请您配合销售商填写并妥善保管, 谢谢!

产品信息	型 号	产品条码
	姓名	联系电话
用户信息	通讯地址	
	名称	
	联系电话	
销售商信息	通讯地址	
	销售日期	
备注		

注: 此表应由销售商盖章确认。

产品信息

本文件适用于相关《产品保修信息》(见后面说明)所列产品,其他非属此范围的产品或部件(如促销品、赠品及其他出厂后附加的部件等)不在此保修承诺内。

保修期

产品及部件的相应保修期按相关的《产品保修信息》执行。保修期自产品首次购买日起算,购买日以购买产品时保修卡登记日期为准。

如何获得保修服务

要保修服务,您可直接与产品销售商或授权服务机构联系,也可拨打神牛产品售后服务 电话,与我们联系,由我们的服务人员为您安排服务。申请保修时,您应提供有效的保修 卡作为保修凭证,方可获得保修。如您不能提供有效的保修卡,则在我们可确认产品或 部件属于保修范围的情况下,也可以为您提供保修,但这不作为我们的义务。

不适用保修的情况

如产品存在下列情况,本文件项下的保证和服务将不适用 ① 产品或部件超过相应保修期; ② 错误或不适当使用、维护或 保管导致的故障或损坏,如:不当搬运;非按产品合理预期用途使用;不当插拨外接设备;跌落或外力挤压;接触或暴露于不适当温度、溶剂、酸碱、水浸或潮湿环境;③ 由非神牛授权机构或人员安装。修理、更改、添加或拆卸造成的故障或损坏;④ 产品或部件原有识别信息被修改变更或除去;⑤ 无有效保修卡;⑥ 使用非合法授权、非标准或非公开发行的软件造成的故障或损坏;⑥ 因不可抗力或意外事件造成的故障或损坏;⑥ 其他非因产品本质质量问题导致的故障或损坏。遇上述情况,您应向相关责任方寻求解决,神牛对此不承担任何责任。因非在保修期或保修范围内的部件、附件或软件导致产品不能正常使用的,不是保修范围内的故障。产品使用过程中正常的脱色、磨损和消耗,不是保修范围内的故障。

产品保修和服务支持信息

产品的保修期和服务类型按以下《产品保修信息》执行:

产品信息	选件名称	保修期 (月)	保修服务类型
	主机	12	客户送修
部件	电池	3	客户送修
	充电器、电源线,同步线等带电性 能的部件	12	客户送修
其他	如电池盒、防风棉、防风毛罩、锁紧 其他 装置、手提绳、扎带、魔术贴、领夹、 便携袋、包装等		无保修

Warranty

Dear customers, as this warranty card is an important certificate to apply for our maintenance service, please fill in the following form in coordination with the seller and safe-

keep it. Thank you!			
Product Information	Model	Product Code Number	
	Name	Contact Number	
Customer Information	Address		
Seller	Name		
	Contact Number		
Information	Address		
	Date of Sale		
Note			

Note: This form shall be sealed by the seller.

Applicable Products

The document applies to the products listed on the Product Maintenance information (see below for further information). Other products or accessories (e.g. promotional items, giveaways and additional accessories attached,etc.) are not included in this warranty scope.

Warranty Period

The warranty period of products and accessories is implemented according to the relevant Product Maintenance Information. The warranty period is calculated from the day(purchase date) when the product is bought for the first time, and the purchase date is considered as the date registered on the warranty card when buying the product.

How to Get the Maintenance Service

If maintenance service is needed, you can directly contact the product distributor or authorized service institutions. You can also contact the Godox after-sale service call and we will offer you service. When applying for maintenance service, you should provide valid warranty card. If you cannot provide valid warranty card, we may offer you maintenance service once confirmed that the product or accessory is involved in the maintenance scope, but that shall not be considered as our obligation.

Inapplicable Cases

The guarantee and service offered by this document are not applicable in the following cases: ① . The product or accessory has expired its warranty period: ② . Breakage or damage caused by inappropriate usage, maintenance or preservation, such as improper packing, improper usage, improper plugging in/out external equipment, falling off or squeezing by external force, contacting or exposing to the improper temperature, solvent, acid, base, flooding and damp environments, etc: ③ . Breakage or damage caused by nonauthorized institution or staff in the process of installation, maintenance, alternation, addition and detachment: (4). The original identifying information of product or accessory is modified. alternated, or removed: (5). No valid warranty card: (6). Breakage or damage caused by using illegally authorized, nonstandard or non-public released software: ② . Breakage or damage caused by force majeure or accident: (8). Breakage or damage that could not be attributed to the product itself. Once met these situations above, you should seek solutions from the related responsible parties and Godox assumes no responsibility. The damage caused by parts, accessories and software that beyond the warranty period or scope is not included in our maintenance scope. The normal discoloration, abrasion and consumption are not the breakage within the maintenance scope.

Maintenance and Service Support Information

The warranty period and service types of products are implemented according to the following Product Maintenance Information:

Product Type	Name	Maintenance Period(month)	Warranty Service Type
Parts	Product Main Body	12	Customer sends the product to designated site
	Battery	3	Customer sends the product to designated site
	Charger, Power Cable,Sync Cable, Electrical Parts etc.	12	Customer sends the product to designated site
Other Items	Battery Case, Windscreen Foam, Wind Cap, Locking Device, Lanyard, Tie, Velcro Tape, Clip, Bag, Package etc.	No	Without warranty
