Light Effects Kit

We are making a conscious effort to reduce plastic in our packaging

SPEEDLIGHT ACCESSORY

Features & Benefits

Packed full with everything you could possibly need to enhance your lighting and improve your photography. This impressive kit is compatible with the hähnel Module Speedlight accessory range but you can also use it with the majority of other Speedlights on the market.

Once you have purchased the 360 or 600 Clamp, you're ready to go! We've even included a protective pouch to carry everything in. This kit forms part of the hähnel Speedlight accessory range which has been specifically designed to help you achieve that perfect shot.

Be more creative and experiment with light!

- Magnetic clamp attaches these accessories with ease.
- Once using a clamp these Filters are compatible with the majority of other Speedlights on the market.
- Box has been made 100% biodegradable so has less impact on our environment. The sleeve has been made from recycled material.
